

RAIDERS
FOUNDATION

40 YEARS

1982 - 2022

A SPECIAL INVITATION.

The Raiders Foundation has developed a coterie group package for 2022 to raise funds and help drive the club's growth on and off the field.

Raiders most devoted supporters remains vital to our sustainability, ensuring we as a club can continue to achieve our strategic goals to perform to our best on the field and to support and deliver programs to the backbone of our club, the local community.

The Foundations focus in 2022 is to continue to raise funds to field a team for the 2023 NRL Women's (NRLW) competition, as well as to develop a Raiders Academy system in the ACT and regional NSW and to deliver a community based Inclusive program.

The coterie group package known as the Locker Room Club offers access to our inner sanctum.

Further information is contained in this brochure about the exclusive experiences and benefits members receive.

We look forward to seeing you around the club in 2022 as we celebrate 40 years of the Raiders.

Yours sincerely,
